

Dates for Brick by Brick Programs in 2025

Brick by Brick operates 24/7, 365 days a year for essential disability support services. For Social and Community programs, we offer flexibility in our programs and some participants choose to cease support during the Victorian School Holidays. This gives some participants a chance to rest, recover and reset through the year and there are no charges for electing not to attend the hub during School Holiday periods. Additionally we have an annual shut down period for our Hub space over the Christmas/ New Year period to allow for staff leave, cleaning and essential training blocks. Support services are provided on Public Holidays and during our Annual shut down only by specific request and budget approval.
